

# LEGIO CUSTODES TELEMEN

## HEAVY DREADNOUGHT

*Fewer than a handful of Telemen Dreadnoughts are to be found within the ranks of the Legio Custodes. Rare is the foe who can stand against the array of esoteric, hand-crafted weapons that grace its chassis or the ferocious will and warrior skill of the master Custodian interred within.*

**THIS IS NOT A TOY**

Not suitable for children under 15 years of age.

**WARNING:** Resin dust can be harmful if inhaled. Always wear a dust mask or respirator when sanding or sawing resin parts.
